Apply for Unemployment Benefits

Apply for benefits online 24 hours a day and seven days a week at [Unemployment Benefits Services](https://twc.texas.gov/services/apply-benefits) (UBS) or call our Tele-Center during regular business hours.

Choose a Payment Method

You can get benefit payments either on a debit card or by direct deposit. Benefit payments default to debit card.

For more information visit: twc.texas.gov/programs/unemployment-benefits/receiving-benefit-payments-debit-card or twc.texas.gov/programs/unemployment-benefits/receiving-benefit-payments-direct-deposit

After Applying

Review your Statement of Potential Benefits to see your weekly benefit amount and maximum benefit amount. Review your Work Search Notification to see your required number of weekly work searches.

For more information visit: twc.texas.gov/programs/unemployment-benefits/work-search-requirements

Request Benefit Payment

Request payment every two weeks, on your filing day, online or by phone. Do not wait for TWC to determine your eligibility.

Benefits are Taxable

Benefits are taxable income and must be reported on your federal income tax return. You can choose to have taxes deducted from your benefit payments when you apply for benefits. You can also change your tax withholding through your [UBS](https://twc.texas.gov/programs/unemployment-benefits/federal-income-taxes) account. For more information visit: twc.texas.gov/programs/unemployment-benefits/federal-income-taxes

Please Be Patient

Although we process claims as quickly as possible, it can take at least four weeks for TWC to determine whether you are eligible for benefits. To find out your claim status, log in to [UBS](https://twc.texas.gov/programs/unemployment-benefits/federal-income-taxes) and select Claim and Payment Status from Quick Links on your My Home page or call Tele-Serv and select Option 2.

Appeals

You can appeal a decision about your benefits you disagree with. Scan the Appeals QR code for more information.
